What do we use the money for?

With your partnership the Tiftarea YMCA, a non-profit organization, can provide youth sports for children in our community. Each partnership helps provide shirts for children on each team, the equipment used by each team, and scholarships for children to play that are not able to afford youth activities otherwise. Without your partnership the YMCA would not be able to provide these programs to our community. On behalf of our team and all the youth participants, thank you for considering partnering with the YMCA Sports Program.
