

STRONG SWIMMERS CONFIDENT KIDS

The Earth is 70% water and kids are 100% curious! Water is everywhere and with that comes the risk of drowning. There are many different reasons for drowning accidents, but two of the leading causes are that young children do not know how to swim or are not strong swimmers. Swim lessons give kids strength and confidence in their ability to be safe in and around the water. The Tiftarea YMCA makes it a priority to teach your children how to swim and become a stronger swimmer in a safe and caring environment. Sign up today for our private swim lessons sessions! (MUST BE 3 YEARS OLD OR OLDER.)

ABOUT OUR PRIVATE SWIM LESSONS

Here at the Tiftarea YMCA, we believe that everyone should have the opportunity to learn to swim. Swimming is a lifelong sport, and our swim instructor team wants to share the gift of swimming to the community members here in Tift County. Our summer private swim lessons are a perfect opportunity for you or your child to learn to swim! We offer private, one-on-one instructing as well as semi-private swim lessons.

Private swim lessons are offered to kids 3 years of age and up, no matter the skill level! Our PRIVATE swim lessons can be registered for 6 lessons or 8 lesson and must be completed within the session registered.

Our semi-private swim lessons are offered to those children who are around the same age and skill level. These lessons give kids the chance to learn to swim with other kids while keeping the one-on-one instruction time. This is a great opportunity for families with kids that are close in age or even family friends. Our semi-private swim lessons are only offered in an 8-lesson package. All 8 lessons must be completed within the session registered for and both children must be present for each lesson.

With both private and semi-private swimming lessons, the parent is responsible for communicating with the assigned instructor for make-up days and potential missed lessons. The instructor will inform the parents of the child/children if weather conditions prohibit a lesson from being conducted. The instructor will make that decision at least 45 minutes before the scheduled swim lesson. **ONLY THE INSTRUCTOR CAN CANCEL A LESSON FOR WEATHER.**

We hope we get to share the love of swimming with you or your child during the upcoming Summer 2022 Private Swim Lesson season!
